

Welcome to the Field Experience Program!

We warmly invite you to consider a Field Experience Program (FEP) internship this fall. FEP is a unique partnership between practice and theory/academics which provides you with the opportunity to:

Complete an internship.

- Pursue an unpaid or paid (through work-study funds or not) internship – that is local or virtual – in such wide educational settings as not-for-profit or for-profit organizations, Ed-Tech start-ups, museums, K-12 schools, higher education, or research (e.g., past Interns have completed internships at WGBH, The Civil Rights Project, Boston Public Schools, ACCESS Boston, international NGOs, and Harvard administrative offices – such as Career Services, Student Affairs, and Admissions).
 - Explore career options.
 - Gain hands-on experience with mentorship.
 - Strengthen your resume and leverage your experience to jump-start your career.

Enroll in S-997: Field Experience: Reflective Inquiry into Professional Practice.

- Learn and apply habits of reflective inquiry required for continued professional growth.
- Receive collegial support during your internship.
- Explore connections between theory and practice.
- Examine your assumptions, expectations, and beliefs about 1) a profession, 2) an organization's work-place and culture, 3) your role in an organization, and 4) yourself as a professional.
- Complete the following enrollment steps.
