

Nonprofit Organizations in Singapore

Singapore has over 100 local and international Non-profit Organizations (INPOs), which include inter-governmental organizations (IGOs) and non-governmental organizations (NGOs) that have social, humanitarian or an environmental focus. Industry associations, philanthropic foundations, think tanks and corporate social responsibility (CSR) organizations. Some examples are World Vision International, and Air Transport Association etc.

The International Organizations Program Office (IOPO), set up in 2007 facilitate the setting up of international organizations in Singapore. These organizations have various volunteer and career options available.

The nonprofit sector of Singapore keeps changing and growing, please refer to web searches, LinkedIn and recent publications to receive the most up to date information. Below are some examples of nonprofit organizations that may be of interest to you.
